

## Report with Confidence

PRA SYSTEM®

Make well-informed, timely decisions with Navitaire's PRA System Hosted Passenger Revenue Accounting Services.

### **Increase Accuracy. Lower Costs.**

Navitaire's PRA System Hosted Passenger Revenue Accounting Services give you centralized, superior accounting controls to help increase your accuracy, timeliness and revenues, while lowering costs and improving efficiency.

### **Access Detailed Revenue Information**

Our comprehensive set of scalable databases lets you capture and report your complete scope of revenue accounting activity. Combine your sales data with PRA System's advanced, integrated analytics and query tools to drive improved business decisions.

### **Clear Visibility**

PRA System helps you maximize your revenue collection capabilities by identifying and automating complex billing and proration calculations, commissions and unreported sales. Provide powerful insights with sharable revenue status dashboards, ad hoc queries and automated reports.

To learn more about how Navitaire's PRA System can help you transform your revenue accounting operation into an advanced information center, visit [www.navitaire.com/pr-system](http://www.navitaire.com/pr-system) or ask for a personal product overview and demonstration.
